Grammar: -Pronouns

Vocabulary:

- Sort -Similar -Perfect
- Endless -Experiment

Science: Life Cycle of a chicken

- For the next 3 weeks, we are going to discuss the life cycle of the chicken. To help the students learn about a chicken's life cycle first hand, we have 3 chick eggs to see how they hatch from eggs. We are going to learn about:
 - The stages of the chicken's life cycle and how to care for the eggs and chicks
 - Ask your child to tell you about the eggs in our room and when they are going to hatch.

Important Dates & Information

-We will be taking our PTO field trip on Tuesday, May 8th to the zoo. Students will need to bring a sack lunch and everything needs to be able to be thrown away. We are asking that all kindergartners wear their kindergarten rocks t-shirt.

-Wednesday, May 9th is a 12:50 dismissal.

-Our kindergarten celebration will be on Wednesday, May 16th at 1:00pm. If you have not returned the slip, please return it on Monday!

-Our kindergarten picnic will be on May 17th. Students will need to bring a drink with a lid that day. Teachers will be purchasing pizza for the class. (This is for kindergartners only). More information will be coming home as the event gets closer.

-Fun day is May 18th. Parents are welcome to come and watch your child participate in the events and you can eat lunch with us.

-Last day of school is Friday, May 25th with an 11:45 dismissal.

Spotlight Student of the Week

Elise was the spotlight student this week! Next week, James will be our spotlight student. We look forward to learning more about James!
